BETTER HOMES WEEK OBSERVED APRIL 21 TO 28

Mrs. Bendel Chairman for
Washington Township
Observance

Mrs. Edgar Pickering, of Oakland, Alameda county, chairman of Better Homes week, appointed direct from Washington, D. C., has appointed Mrs. Roland Bendel as chairman of Washington township. In this capacity Mrs. Bendel is mailing Better Homes literature to leading citizens of the township, urging them to carry out the aims of this movement, especially during Better Homes week, April 21 to 28.

As this is the same as Public School week, and all our township schools are holding exhibits and programs during that week, Mrs. Bendel urges that all citizens generously support these school activities, and support our young people in their endeavors. For, she points out, the splendid work within our public schools is forming the bed-rock foundation of the better home of tomorrow, so that the two weeks complement each other. She also urges principals and teachers to impress upon the students of the township that their school work and all their school work, is the stepping stone to their later establishment of "Better Homes of America."

All lodges and other organizations are urged to stress the importance of better homes week—and automobile stickers for this movement may be obtained from the Register office or from Mrs. Bendel.

Let's make Washington Township renowned for its better homes, better schools, better citizens.

Parents are reminded that Monday and Tuesday of next week is the time they are especially invited and expected to visit the Niles Grammar school and view the exhibit of hand-work displayed as a part of Public Schools' Week observance.

Next Friday evening a program will be presented at the High School, details to be announced in next week's Register.

Mr. and Mrs. A. A. Hatch were in Oakland Wednesday, having been called there by the illness of a relative.

Hour and a Half Program Tells the World of Niles' Advantages

The Niles broadcast over KZM at Hayward Tuesday evening, from 8:15 to 9:45 p. m., went over with a bang! Phone calls from Oakland, Berkeley, Alameda, Niles, Hayward and vicinity expressed good reception, approval of the program and special requests for repeating some of the numbers. Several requests were made for additional solos by Miss Lois Abbott, introduced as the "singing school girl of California," Harvey Braun, president of the Niles Chamber of Commerce, in his five-minute talk regarding Niles was one of the hits of the program. Mr. Braun spoke to the point, his statements being clear and concise and of a nature to be of the very best possible advertisement for Niles. His voice carried well and those listening in at Niles heard him distinctly.

Those taking part were:
The Campos orchestra; in popular dance numbers.

Miss Lois Abbott, the "Singing School Girl of California."

Mrs. Charlotte Huntley Foster, vocal instructor in the Washington Township Grammar schools; several piano numbers and a piano-duo dedicated to her mother, Mrs. Alma Huntley, who was prevented by illness from taking part in the program.

Fred Mitte and his "Haywire Orchestra" in a group of old-time dance pieces.

Fourteen girls from the Niles Grammar school in a vocal ensemble under the direction of Mrs. Foster.

Harvey Braun, president of the Niles Chamber of Commerce, in a five-minute speech about the advantages of Niles.

The Misses Whitely; piano and cello numbers.

Henry Walton in dialect sketches.

"Niel and Grace," Mr. and Mrs. Lake; Mr. Lake giving several good vocal numbers accompanied by Mrs. Lake at the piano.

The program was sponsored by the Chamber of Commerce at Niles, "That live little town of Niles," as the radio announcer expressed it.

Those assisting in transporting the artists were Joe Gomes, chairman from the Chamber of Commerce; Mrs. W. J. Helm, Mr. and Mrs. Al Juhl, C. H. Waterbury and Jack Williamson.

Officials at the radio station declared it the best program ever put on over the station and an invitation was extended for the Niles group to favor KZM again.

WILLISTON WIRT WILL BE ORDAINED

Son of Locally Known
Minister Graduates
at Pacific School

Since Dr. Lincoln Wirt is well known in Niles and vicinity, the following announcement regarding the ordination of his son will be of interest to Register readers.

Doctor Wirt spoke at the Salem German Methodist Episcopal church in the city Sunday evening on "Behind the Scenes in Germany, France and England."

The following announcement appeared in a recent Oakland Tribune:

"Williston Wirt, director of religious education at St. John's Presbyterian church, Berkeley, will be ordained as a Congregational minister at a special service to be held April 22, in Plymouth church, Oakland.

"Wirt will graduate this year from the Pacific School of Religion. He will represent the third generation of his family to enter the Congregational ministry. His father, Dr. Lincoln Wirt of the National Council for Prevention of War was also a graduate of the Pacific School of Religion when it was known as the Pacific Theological Seminary. Wirt's mother is the niece of Dr. Joseph Augustine Benton, first president of the seminary, and one of the founders of the University of California.

Plymouth church where the service of ordination will be held, is one of the largest churches in Oakland and was founded as a Sunday school by Wirt's father while he was a student. Wirt himself formerly served Plymouth church as director of religious education before coming to St. John's.

"A noted group of ministers will officiate at the ordination service which will be held at 8 o'clock in the church auditorium. Dr. T. T. Giffin, the new pastor of Plymouth church, will preside. Other officiating ministers include President Herman F. Swartz, Dr. Stanley Armstrong Hunter and Dr. Lincoln Wirt. The ordination sermon will be preached by Dr. Oswald W. S. McCall. This service will be open to the public.

Allen Shinn Will Make Practice Cruise

News from Allen Shinn at Annapolis refers to a cruise midshipmen will take in June, July and August, aboard the Practice Squadron, the Arkansas, Utah and Florida, beginning June 8, when they will leave Annapolis for Barcelona, Spain.

The itinerary will include also Naples, Italy; Gibraltar, Spain; Weymouth, England; Hampton Roads, Va.; and back to Annapolis August 29.

While in Barcelona, the boys will probably visit the Spanish exhibition of art, industry, sports, etc., said to be one of the most comprehensive celebrations of its kind in the history of that country. Midshipman Shinn reports that he enjoys "The Register" very much and that it might lead absent readers to suspect that Niles was on the "up-grade."

Funeral Held For Former Niles Girl

Funeral services for Miss Filma Lanfri, formerly of Niles, were held April 21. She was 22 years of age and had been ill for some time.

Besides her parents she is survived by a sister, Mrs. Jennie Paso and two brothers, William and Alfred, of Niles.

Santa Rosa's airport being extensively improved.

FORMER RESIDENT OF NILES GAINS FAME

Friends of Maida Castlehuhn Darnton, formerly of Niles, will be interested in an article appearing in the April issue of the California Monthly, accompanied by a photograph of this well-known writer.

"Maida Castlehuhn Darnton is another alumna of the University whose name is probably familiar to those who are keeping up with recent best sellers," states the article. "Coward McCann recently published her translation of Drebton's 'Fourth Musketeer, the Life of Alexander Dumas,'

"In addition to this outstanding work she has long been a contributor to such national magazines as the Nation, Arts and Decorations, Life, Red Book, Survey, Graphic and the Overland Monthly. She has also been connected with the book-review sections of the New York Times, Post, Sun, Herald and other papers. As if that were not enough she has also gained a reputation as a dramatic critic and a lecturer on drama.

Try-outs for Sunkissed Beauties (six years or under) will be made at the local theater Saturday evening. The first ten who register at The Register office will be given their try-outs Saturday night during the show and others will be tried out later.

There is absolutely no expense to this try-out. All that is necessary is to register at The Register office, go to the show Saturday night and let the child go upon the stage where the picture will be made and later exhibited.

George A. Knowles and Lewis C. Cook, representing the West Coast Film Service arrived in Niles Wednesday and will spend the next two or three weeks here filming motion pictures to be presented in connection with the Niles theater Baby Movie contest to open Saturday night. Mr. Knowles and Mr. Cook have taken a cottage in Niles Canyon.

Through arrangements just completed between Manager Peterson of the Niles theater and the West Coast Film Service, every youngster in this vicinity six years or younger may have a movie-try-out.

The pictures will be shown at the local theater within two or three weeks. Klieg lights and other equipment necessary for the Saturday night movie making have already arrived and are being installed.

Remember, the first ten to register will be given a free try-out Saturday night.

"FORD" NIGHT WILL FEATURE NILES AD CLUB

The program will also include musical entertainment numbers and moving pictures of some interesting phase of Ford business.

Glass Blowers Will Give School Program

An exhibition of Bohemian glass blowing will be given at the Niles Grammar school Friday morning at 9 o'clock, announces Principal E. D. Bristow. About 1800 pounds of equipment is carried by this company which presents its program throughout the country in schools. Heavy snows in Idaho prevented their keeping several engagements and for this reason the glass blowers were able to present their exhibition at some of the smaller schools, Niles being one of the fortunate ones.

Kite Contest Finals To Be Held Friday

Finals in the kite contest will be held Friday afternoon at the Niles grammar school. Winners will be awarded with prizes donated by the Parent-Teachers' Association.

Vote Is Seventy-nine For, None Against at Local Polls

Both Centerville and Livermore's school bond issues passed with a most glorious majority at the elections held Monday and Tuesday.

The Centerville vote was 79 for and none against the \$15,000 bond issue to repair and enlarge the Grammar school.

The Livermore district voted five to one for the \$160,000 bond issue for a new high school, the count being 700 for and 110 against in Livermore. This sum will be augmented by the sale of the present high school property considered one of the most valuable pieces of land in the city.

Construction of the additions and repairs to the Centerville Grammar school will begin this summer, according to Allen G. Norris, trustee.

GROWERS TO ELECT DIRECTORS SOON

Prune and Apricot Men
Sign Up for Tonnage
Quota

A meeting for the purpose of electing a board of 15 directors for the new local prune and apricot growers' association will be held shortly, according to George L. Donovan, local representative. These directors will take over the 50-year charter of the old association, which has 43 years to run.

At the meeting held in Irvington recently it was announced that all prune and apricot growers must have their tonnage signed up by last Saturday night if the proposed project were to succeed. The 8,000,000 tonnage of apricots was declared 852,000 pounds short but the prune tonnage exceeded the necessary 100,000,000 quota by 3,604,000 pounds. However these figures were not entirely complete.

O. A. Harlan, general manager of the association will control a fourth of the prune crop of the state, and a third of the apricot crop, if the 8,000,000 pound quota is under contract. This will be sufficient to enable the association to stabilize its market and take care of its trade with greater profits to its members.

Old association contracts expire with the handling of the 1928 crop and under the new contract the association continues under radically different form of organization than previously. Some 28 or 30 grower locals will be federated with the central selling organization. This is declared as a more democratic form of organization than the old centralized association. Each local organization is represented in the central organization by one delegate who has one vote, and also a tonnage vote based on ten tons of prunes and five tons of apricots.

Mrs. Fisher Honored With Several Parties

Mrs. Robert Fisher, who is to leave next month for an extensive visit east and in England, is being honored with a series of luncheons, Last Friday, Mrs. Harry Cushing, of Irvington, entertained in her honor; today, Mrs. Ralph Richmond has invited twelve friends in for a bridge luncheon honoring Mrs. Fisher, and Friday, Mrs. Ben Tyson will entertain for her, including a like number.

Seventy-Six Varieties In Display Arranged At Fire Hall

NILES' first wild flower show was an unquestioned success, more than 500 local residents and out-of-town visitors viewing the display which was arranged in the new Fire Hall Saturday and Sunday, some of the visitors coming especially for the show, Dan Marble reporting that many stopped at his filling station to ask directions to the display.

According to Bert Rathbun, who kept open house at the Fire Hall nearly all of Sunday and Saturday afternoon, there were seventy-six varieties displayed, all of them having been gathered in walking distance of Niles in the nearby canyons. One of the visitors was able to name them all but for the most part each spectator had a name of his own for the specimen.

Jack Williamson, whose original idea it was to stage the wild flower show this year, was general chairman of arrangements. Assisting him was Bert Rathbun, Mrs. J. E. Townsend and the Campfire Girls, Mrs. James R. Whipple, the Boy Scouts and others. The committee on arrangements was made up of members of the Advertising Club and the Chamber of Commerce, Bob Blacow, Bert Rathbun, George Donovan, Jack Williamson, W. J. Helm and Dr. Chas. H. Law.

A street banner was placed across First street just in front of the Fire Hall calling attention to the display. This banner was printed by The Township Register, demonstrating its complete equipment to take care of any emergency printing work necessary in the Township.

Niles' main street was a bower of blossoms Saturday and Sunday. Practically every merchant cooperated by re-arranging his front windows and decorating them with cultivated blossoms gathered from the gardens in Niles. What the local community can do in the way of flowers was well illustrated this week-end, it being remembered that cut flowers for sale in the bay cities comprise one of the principal products of this vicinity.

Among the windows most elaborately decorated were Oliver's

Roeding Wedding On Saturday Was Colorful Event of Season

The home of Mrs. George C. Roeding in Terrace street, Piedmont, was the setting Saturday afternoon for the beautifully appointed wedding at 4 o'clock at which her daughter, Eleanor Louise, became the bride of John G. Sutton.

The service was read beneath an arch connecting the long living room of the Roeding home and the library, and in this were arranged branches of yellow gerbera, with two tall Russian candleabra holding single yellow tapers at either side of the archway. Yellow candles and yellow blossoms were arranged throughout the entire home for the wedding.

The bride, who was accompanied to the nuptial arch by her brother, George Roeding, Jr., wore a gown of white satin, simply made, with long sleeves, square cut neck, and long

court train of satin. Over this she wore the lovely veil of flimsy tulle worn by her sister, Mrs. Bernard Jefferson Butler (Marieanne Roeding), of Hawaii, at her wedding several years ago. She carried a bouquet of white hyacinths and orange blossoms.

Miss Evelyn Thorne Roeding was the maid of honor.

The bridesmaids were Mrs. George Roeding, Jr., Mrs. Thomas Carl Peterson, Jr., Miss Helen Hilbert, a cousin of Mr. Sutton, Miss Elizabeth Eader, Miss Doris Bonneh of Fresno, and Miss Florence Manuel of Stockton. Their gowns were of pale green chiffon, with yellow horsehair hats and yellow slippers, and they also carried garden bouquets of pansies.

Little Miss Martha Robbins, the daughter of Dr. and Mrs. Irving Robbins, of Palo Alto, and a cousin of the bridegroom, was the flower maid.

MUSHROOM COMPANY AIDS WELFARE WORK

Among the larger contributors to the wonderful success of the Child Welfare dance last Saturday night at the Garden of Allah was the Pacific Mushroom Company who own the site and are expending a considerable amount of money in the new industry for the East Bay district. The use of the splendid hall was given by the company, represented by

Lannes Sharman, president, of Centerville, and manager Leo Vincent, who resides at the Garden Residence and personally attends to the comfort of all guests.

Mr. Vincent states that the first two units of the Mushroom plant are completed and building one is already planted or "spawned" in the correct usage of the word. Building number two is to be spawned late this week.

MORE ON NILE'S FLOWER SHOW

(Continued from Page One)

Garage, the Mutual, Rose's Garage and Jones & Elsworth's. Many of the others were especially noticeable for their display of spring-time flowers.

Perhaps the rarest wild flower displayed in the Fire Hall was the trio of red California poppies found on the Al Juhl ranch in Niles Canyon. This specimen was new to many as was the cream-colored poppy found by Mr. Rathbun. A wealth of maiden-hair fern also came from the Juhl ranch. "Fairy lanterns," "blazing stars," "shooting stars," "little blue-eyes," "mallows," pansies, wild snap dragons, soap plant, "hen and chickens," wild clematis, blue and white lupins, mountain lilac, a number of varieties of grass flowers, ferns, buttercups, monkey flowers and wild hyacinths were some of the specimens, there being seventy-six in all.

Almost a steady stream of spectators enjoyed the display. Mr. Rathbun estimated that at least 500 stopped at the fire hall.

Those in charge were gratified at the interest shown and next year's show will probably be much more elaborate. It has been suggested that stands be built for the interior of the office of the Fire Hall and the display arranged by "families." Prizes will probably be offered for the best collection, the collection with most varieties, the best "pressed" collection, the best "painted" collection, the most attractive store window, etc. There might also be collections from local gardens.

As a means of publicity for the town, as a method of interesting children in nature and as an educational campaign for the conservation of wild flowers, the annual show could be of extreme benefit.

One local resident has offered to give a certain amount each year to buy seeds to plant along the roadsides and the hills about Niles in order that the wealth of wild flowers once common to sections close in to Niles may be restored. It is suggested in this connection that stands could be arranged where the various specimen of wild flowers could be sold at a very nominal price in order that motorists who desire to take some of them home could do so without the wholesale destruction that is more or less common now. This would also prevent boys and girls from picking great armfuls to scatter along the highway in case they are not successful in selling their wares.

Wilful waste of beauty might be classed among the several cardinal sins.

JACK FROST has saved California farmers letting half their crops rot on the ground because of poor prices.

THAT NOT killed will sell for as much as that bought in past years. MUD SLINGING politicians are busy in many small election campaigns. The public believes both sides and in disgust will not turn out to vote. It would be better to save each other's reputation and the respect of the citizen.

THE STATE Legislature is busy making more laws for us to break and getting recreation hearing about green bathing suits. Some wise governor will call a special meeting, "The repeal session," to clear off the books a lot of foolish "thou shall nots" and the public will then respect worth while laws.

CHARITY BALL GRAND SUCCESS

The Charity Ball given under the auspices of the Welfare Club and the Washington Post of the American Legion at the Garden of Allah Saturday evening was the outstanding success of any affair ever staged at this attractive asset to the social life of Niles. Final reports from ticket sellers have not been available to date but the approximate profits were \$600.

Approximately \$160 was taken in at the door in addition to all the tickets which had been sold. The hall was filled to capacity and though too crowded for maximum enjoyment of the dancing the assembly seemed to be thoroughly enjoying itself and everybody anxious to do his bit to make the affair a pleasant success.

Members of the Welfare Club and the Legion had charge of the refreshments, check rooms, parking, etc. D. F. Gatchel had charge of the collection of attractive door prizes, eight in number.

Music by the KGO five-piece orchestra was especially good, every detail of the entire arrangements going smoothly. Mrs. Frank Dusterberry, chairman of the Welfare Club, and her committee, feel highly gratified at the outcome of the event.

Joint Dinner for Service Clubs of Township Planned

A joint dinner meeting of all the service clubs in Washington Township was the main matter of discussion at the Centerville Service club today. President Frank T. Dusterberry and Judge Allen G. Norris were appointed to head a committee which they will select to make arrangements.

More cooperation among the various communities in the township is the object of this get-together.

Judge Allen G. Norris presided as chairman of the day, President Frank Dusterberry being out of town on business.

Reports from the sidewalk committee signified progress in this matter.

Principal E. B. Hodges from the Centerville high school reminded the club of the observance of Public school week and of the program to be given at the high school next Thursday evening to which the public is invited.

An address, music and other features will make up the program.

About ten were present at the meeting.

WILLIAM H. BLACOW DIES IN HONOLULU

Old-Timer Formerly Resided in Centerville; Uncle of Blacows

News of the death of Wm. H. Blacow, aged 83, uncle of Robert Blacow, of Niles, and J. R. Blacow, of Centerville, comes to The Register from Honolulu, this former pioneer resident of Alameda county having passed away March 29, after an illness of only a few days.

One of the "covered wagon" children, the deceased was a participant in all the thrill and glory of the early days. The eldest of a family of thirteen, he was the last to survive but leaves his widow, five children, 12 grandchildren and four great-grandchildren.

The deceased was a subscriber to The Register for many years. He left the township about twenty years ago.

The following clipping from the Honolulu Star-Bulletin is given: "A pioneer of the plains, one of those who built up early California, passed away early last evening in Honolulu at nearly 83 years of age. William H. Blacow, of 980-A Prospect St., died at 7 p.m. at Queen's hospital, after an illness of only a few days.

Up until early this week "Grandpa" Blacow, as he was affectionately known to the neighborhood, was active, occupying himself with the little shop which had been his delight in later years. But advancing age had overtaken him, and the infirmities of more than 80 years brought on the last illness.

His death separated a life partnership of more than 50 years with a wife who was also a pioneer of the plains. She was Miss Florence L. Weeks. Both the Blacow and the Weeks families crossed the plains in the middle of the last century to settle in the Golden West. Theirs was an epic of the "covered wagon" and the hardships of settlers in remote places.

William H. Blacow was born in St. Louis, Mo., November 17, 1846. He crossed the plains with his family, driving oxen, in 1853, taking six months to cross to Centerville, Calif. He lived in Alameda county, Calif., until he came to Hawaii in January, 1916. Since then he had made his home in Honolulu.

He was the eldest of a family of 13 and the last to survive.

He joined Mission Peak Lodge, I.O.O.F. in 1870, and up to the date of his death was the oldest member.

He was married to Florence L. Weeks on October 31, 1875. He is survived by his widow and five children, as follows: Mrs. Robert Horner, Miss Helen L. Blacow, Mrs. Alice Young, Mrs. Harry B. Bally, Mrs. B. A. Bratcher; also 12 grandchildren and four great-grandchildren.

Services are being held under the direction of the Odd Fellows at the Williams mortuary this afternoon at 4 p. m.

William S. Hall, of the Western Newspaper Union, of San Francisco, called at The Register office last Thursday.

MISS MOORE BRIDE OF ROBERT BOYER

Impressive Ceremony At St. James Followed By Reception

At a simple but impressive ceremony at the St. James Episcopal church in Centerville, Monday afternoon at 3 o'clock, Miss Margaret Moore, daughter of Mr. and Mrs. Philip Moore, of Niles, became the bride of Robert Boyer, of Dayton, Ohio, the couple leaving immediately for a honeymoon in Southern California after which they will be at home in Sunnyvale.

Following the ceremony, Mr. and Mrs. Frank Dusterberry, uncle and aunt of the bride, entertained the bridal party and out-of-town relatives at a reception at their home in Centerville, the evening being spent informally at the home of Mr. and Mrs. Moore.

The double ring Episcopal marriage service was read by Rev. W. J. Attwood, the nuptial music being rendered by Miss Arwina Ormsby. Mrs. Richard Jelleff, of San Francisco, sister of the bride, was matron of honor and Wm. Jones was best man. The bride was given in marriage by her father. She wore a chartreuse green afternoon ensemble with hat of beige visca straw trimmed with ostrich. Her flowers were orchids.

The matron of honor wore a printed chiffon afternoon dress with leghorn hat, her flowers being gardenias.

Out of town members of the bridal party included Mrs. Robert Boyer, of Dayton, Ohio, mother of the groom; Mr. and Mrs. Nathan Croninger, and daughter, of Berkeley; also relatives of the groom; Mr. and Mrs. Jack Crothers and two daughters, of Eureka; Mrs. Charles Jelleff, of San Francisco; Mr. and Mrs. Richard

THE RECORD BREAKING NEW NASH "400"

"400" Standard Six 4-Door Sedan

DELIVERED FULLY EQUIPPED

Ask the Salesman this Question:

EVERY prospective motor car purchaser should ask every salesman he talks to, this question: "What is the price of this car, delivered to me, fully equipped with all the equipment?"

You should also ask what the difference is between the factory (f. o. b.) price and the delivered price—and then ask what that difference buys.

Heretofore it has been customary for factory prices to cover only the bare car. This permits the dealer to sell you your bumpers and the other accessories, at retail prices.

Nash, in introducing the new "400"

Series, pioneered a new practice, by installing this extra equipment at the factory, at no extra cost to you.

When you ask the suggested question you'll find most salesmen (not Nash salesmen) reluctant to answer. They would rather not say how much more there is to pay, or what the extra money buys.

And you'll also find that by reason of the Nash policy, Nash "400" delivered, fully-equipped prices are much lower than those of many other cars with the same factory (f. o. b.) prices, and lower than some cars with even lower factory (f. o. b.) prices.

Suddenly, out of a spring sky...
ALL was well on the telephone front on April 27, 1928. Suddenly, out of a spring sky, rain began to fall, and as night came on this turned into a furious storm of sleet, snow and wind. In 48 hours, 3700 telephone poles and 7000 miles of wire were down; 39 exchanges were isolated; 11,000 telephones were silent.

Repair crews were instantly sent to the scene. In record time 1000 men from five states were on the job. Within 72 hours the isolated exchanges and telephones were back in service.

Decoto Department

Poor Phone Service Blamed for Fire Loss

At 10:30 p. m. last Friday the Decoto Fire Department was called out to a fire at a house on the Whipple Road, belonging to U. Putagaki. As the alarm reached the fire house too late, the department was unable to save the house. Again the result of no night phone service was shown, as telephone connections were impossible.

The Japanese family have another home built on the old foundation already, as construction began before all the ruins had burned out. The loss is estimated at \$500.

The installment of three hydrants near the cannery is a recent improvement of the Decoto Fire Department. Several others are to be soon installed near the grammar school according to Fire Chief Bendel.

Mr. and Mrs. Paul Savio and daughter, of San Luis Obispo, spent last week visiting the Ferrante family here.

It was suggested that this body join the Southern Alameda County Federation of Improvement Clubs. Mayor Bendel will give a report of the matter at the next meeting. The club is much in favor of belonging to this federation, which is the main backer of the Decoto Housing Conditions Petition.

Frank Thomas has bought out the Decoto Tile Company of which he has been the manager and former owner. A larger output is expected as several different kinds of tiles will be made. Mention of this thriving Decoto industry was made in this year's Oakland Tribune Year Book.

Philco Owners Enjoy Perfect Reception Of Niles Broadcast Hour

**Vieux Brothers Expect
Rush Orders For
Philco Sets**

Tuesday evening at 8 o'clock residents of Washington Township began to turn the dials of their various and sundry types of radios in a frantic effort to discover the exact spot where the Niles broadcast over station KZM at Hayward would come in best. Many were doomed to disappointment. Hasty telephone calls to neighbors brought assurance that the program was coming in fine at points low on the dial, even over the telephone volume of Oliver Campos' jazz orchestra and the sweet tones of Lois Abbott's voice could be heard, but out of some of the radios came either not a sound, or only static, or perhaps a dim faint sound all the more tantalizing because it was the Niles program coming in but so faintly that it could not be understood.

But the fortunate ones who have lately purchased Philco's from Vieux Brothers sat back and enjoyed to the extreme the entire program, catching every word the announcer or the speakers uttered, plenty of volume and plenty of good, clear tone quality. This is only one example of the benefits of having the best that can be bought. If you are seeking distance, volume, clearness of tone and ease of operation, Vieux Brothers recommend the Philco. Just plug into a socket and that's all there is to the hook-up. No battery to run down, no charger to worry about—a secure feeling that the radio is always in working order.

It's safe to invite neighbors in for a program or a dance when you have a Philco.

Vieux Brothers offer a liberal allowance on your old radio if you turn it in for a new Philco and they will also allow you a schedule of easy payments.

A new display room for radios has just been completed at this up-to-the-minute electric store and you are invited to come in and view the assortment of the latest 1929 Philcos, Stromberg-Carlsons and Spartans at Vieux Brothers'.—Adv.

**BARNES CIRCUS
COMING TO SAN
JOSE APRIL 23**

The all-new production of the Al. G. Barnes circus is coming to San Jose April 23.

Advertising agents representing Al. G. Barnes circus have been posting pictorial circus bills in this vicinity announcing the coming of this excellent show, and advertisements will be found in our columns this week. The management of the Al. G. Barnes circus announces the following features this year:

"The all new spectacle, entitled 'Aladdin and the Parade of Gold,' in which approximately 1,000 people take part, including the Chinese beauty, Lola Lee Chong; the two Mastodons, Tusko and The Mighty Tusko; Klinkhardt's equestrian midgets, fourteen tiny horse-men from Bavaria; San Marcus, the \$16,000 equine star; the zebra round-up, with the largest herd in captivity in America; and many other novel features and performances given by American and foreign artists, also animals from every part of the world.

"Two performances are given daily—the afternoon show starting at 2 o'clock, and the night performance at 8 o'clock. The doors are open one hour previous for the inspection of the zoo, and for the children to see the two mammoth beasts which require two specially constructed railway cars for their transportation.

**DEL VALLE WILL
HAVE DEDICATION
PROGRAM ON 28TH**

Dedication of the second dormitory unit at Del Valle Farm will occur on Sunday, April 28, at 2:30 o'clock, according to announcement received in township. Miss Anna F. Brown, with the president of the Pacific School of Religion and the Medical director for Arroyo will be among the speakers.

**MRS. PATTERSON
ENTERTAINS WITH
BRIDGE LUNCHEON**

Mrs. Will D. Patterson entertained the following at a bridge luncheon at her home in Palo Alto, last Friday: Mrs. Wm. Eberly, Mrs. Haley, Mrs. Mosher, Mrs. Chittenden, Mrs. Thane, Mrs. Whipple, Mrs. Parker, Mrs. Ford, Mrs. Attwood, Mrs. Adams, Mrs. Hudson, and Mrs. Morrison. Mrs. Ford and Mrs. Haley were prize winners.

F. J. Borge, who has been ill for two weeks with ptomaine poison, is able to be at his business again.

**MENDENHALL'S
EQUIPPED FOR
VARIED SERVICE**

Regardless of how civilization advances or the great metropolises expand, nothing can take the place of the neighborhood grocery for emergency orders, and this is a need being filled by R. W. Mendenhall on the Niles-Centerville road just across from Cherry Lane.

Mr. Mendenhall's service station is well-equipped with groceries, eggs, vegetables, etc., also cookies, candy and ice cream. Milk shakes and bottled drinks on ice are also served in great quantities. Just the place to stop in for something to eat after a long ride.

In addition to this phase of his business, Mr. Mendenhall is fully equipped to furnish the motorist with oil, gas, water, free air and battery service.

Well-kept rest rooms add to the convenience of patrons.

Gridley's sewer system will be extended.

Question

QUESTION—"My wife has had indigestion with gas and heartburn, and obstinate constipation for years. Will your methods get her well?"

Answer

ANSWER—My methods of treatment offer a logical, safe and sufficient way for the correction of the cause of your wife's illness. Advise your wife that results under proper treatment will be positive. Her symptoms of indigestion, bloating, heartburn and constipation can be permanently eradicated. However, she must first submit to a thorough examination to find just what is causing her trouble. Then take her treatments regularly and you will both be gratified with the improvement. There is no charge for an examination in the office.

LOCAL PEOPLE AT Chamber of Commerce Gets Kio Of Unsaniary Mexican Camp

Many familiar faces of Niles people have been noted among the crowds visiting the Mutual plant and headquarters building at 57th avenue and East 14th Street, Oakland, during the 12th Anniversary celebration and Open House Week of the Chain store company, which ends this Sunday, April 21st.

This building is the only one of its kind on the Pacific Coast, combining under one roof an immense bakery, creamery, ice cream and butter plants, warehouses and shops, as well as the general offices of the Mutual Stores, Inc.

The building covers a five and a half acre tract of land fronting for an entire block on East 14th Street, Oakland's busiest thoroughfare. It was occupied by the chain store company less than a year ago.

The bakery in particular seems to interest the visitors. Here is located a huge travelling oven that uses only electric heat. There is no other oven of this type in Northern California. The bread is placed in the oven at one end and moves through it slowly, requiring about 35 minutes to go through to the delivery end.

The bread is subjected to a heat of about 45 degrees all the way, so that it comes out thoroughly baked—more so than if baked by any other heat.

Other features of the bakery include machinery for kneading and shaping the dough, wrapping the bread, making cakes and pastries, etc.

Open house continues at the plant, the management announces, each evening for the rest of the week, from 7 to 9, and all day Sunday, April 21st, from 10 a.m. to 8 p.m. If you have not already done so, you are urged to take advantage of this opportunity to see this remarkable building.

COUNTRY CLUB FLOWER-FOOD SALE SATURDAY

One of the interesting events of the month is the food and flower sale to be held at the Country Club house in Centerville under the auspices of the Ways and Means committee Saturday from 1 to 5 o'clock. Coffee is to be served free and cake and waffles will be sold. An excellent opportunity to invite guests to tea.

All kinds of home-made cakes, pies, salads, etc., will be on sale and this will be a good opportunity for house-wives to stock up for Sunday and save the routine cooking at home.

Shrubs and plants from the California Nursery Company, will be on sale at standard prices, a percentage to go to the club. This display is expected to be one of the drawing cards of the occasion, the high quality of plants coming from this establishment being a guarantee of satisfaction.

Seeds of all kinds of summer flowering plants were distributed to members of the club who planted them and these slips will be for sale.

Santa Rosa—\$88,000 to be spent on Sonoma county highways this season.

Announcement that the camp of Mexicans in old town about whom alarming tales of unsanitary living had been spread had been moved out by order of the State Health Department was made at the luncheon meeting of the Niles Chamber of Commerce Tuesday.

The \$200 quota for the Boy Scouts was also discussed and President Harvey Braun announced that a committee for raising this amount would be appointed next week.

Bert Rathbun reported that the Wild Flower Show sponsored by the Ad Club and the Chamber of Commerce was a great success, more than 500 witnessing the display which included seventy-six varieties of wild flowers found in and near Niles.

Joe Gomes reported transportation for those to participate in the Niles broadcast was all arranged. Chairman W. J. Helm of the program committee reported several changes due to illness of those who were to take part but stated that sufficient numbers were available to put on a good program.

F. V. Jones suggested that a note of thanks be sent to Wallace Ebright for his assistance in ridding Niles of the dangerous, from a health standpoint, camp of Mexicans who had come here expecting to work in the fruit later on. Inspector Veach, of Sacramento, was in Niles last week at the invitation of the Chamber of Commerce, and with Mr. Jones, Bert Rathbun, and Wallace Ebright investigated reported conditions, finding all more than had been suggested. The camp was moved out and Mr. Veach is to return Friday to inspect the few shacks remaining with a view to asking the Spring Valley Water Company to tear them down. The camp was located on a sub-lease of Spring Valley property, the lease found to be invalid.

MRS. BOB TYSON WILL ENTERTAIN FRIENDLY CLUB

Mrs. Bob Tyson will entertain the Friendly Club next Thursday, the 25th, at 2 o'clock, instead of Mrs. Harvey Braun, as formerly announced.

Franklin Lowney, special representative of the Development and Colonization department of the Southern Pacific Company, of San Francisco, called at The Register office last Thursday.

"Am using the oil that has stood up the best"—

M. Oliver specializes in long-distance hauling from Niles and operates a Fagool 5-ton truck and trailer. After very severe tests, he has decided upon Cycol Heavy oil, as the oil that has stood up the best in use.
"It was during my latest run"

—he writes, "from Niles to Paso Robles . . . that my mind was finally made up. This oil, unlike any other that I had tried, retained its body, causing better lubrication; no oil was added during the trip, thereby decreasing the cost."

No motor oil deposits less carbon than Cycol. It has amazing stability, maximum lubrication value. Cycol lasts longer; it assures an unbroken, protective oil film where heat, pressure and friction are greatest.
Sold at the red, green and cream stations.

The historic landing of revered Father Junipero Serra at Monterey was another step in civilization's romantic conquest of the Pacific Slope.
Romantic bits of western history such as this are revealed in the Associated Oil Company radio program, "Roads to Romance."
Listen in each Wednesday evening, 8 to 8:30 p.m., on stations KFO, San Francisco; KGO, Oakland; KFI, Los Angeles; KGW, Portland; KOL, Seattle; KHQ, Spokane.

SCOUT CONVENTION
WILL DRAW CROWDSLocal Boys Will Take Part
In Oakland Exposition
Affair

Local scouts and their friends are looking forward to the Merit Badge Exposition to be held at the Oakland Auditorium Friday evening at 8 o'clock. Tickets for this affair are on sale with the Niles troop.

This is announced as the greatest scout affair ever presented by Oakland district. A number of worthwhile prizes have been offered and the local committee is hoping that the Niles boys will come in for one or more of them. About 2,500 scouts are expected to take part.

Erection of booths began Wednesday, scouts being excused from school when necessary. Every uniform is being made spik and span and scouts are scurrying around enlisting the interest of their friends.

There will be four big shows during the exposition. The opening night, Thursday, will feature prominent speakers who will tell what scouting really stands for. On Friday and Saturday nights and Saturday afternoon, programs will be presented that every scout will want to witness. A special show is announced for Saturday night and scouts are asked to come in prepared to eat dinner at the auditorium.

Visitors will see the 80 merit badges exhibited by the scouts, and 60 stage events produced and will have the opportunity of witnessing the finest exhibition of vocational handicraft ever put on at the auditorium. Four thousand square feet of area will be occupied by the school department in showing to the public what the schools are doing in vocational training.

Prizes are offered to troops for scout equipment, largest number of tickets sold, etc., and to individuals for ticket-selling, including a wrist watch or movie camera, uniform, equipment, official scout haversack, first aid kit, signal kit, etc.

All scouts selling \$3 worth of tickets will be admitted free. Music will be furnished by four bands.
